Sub: Statement of possible special tax benefits ("the Statement") available to Kenrik Industries Limited ("the Company") and its shareholders is prepared in accordance with the requirements in Point No. 9 (L) of Part A of Schedule VI of the Securities Exchange Board of India (Issue of Capital Disclosure Requirements) Regulations 2018, as amended ("the Regulations")

Re: Proposed Initial Public Offering of Equity Shares (the "Equity Shares") of Kenrik Industries Limited (the "Company" and such initial public offering, the "Offer")

Dear Sir/Ma'am,

We, VSSB & Associates, Chartered Accountants, hereby confirm that the enclosed **Annexure I** states the possible special tax benefits available to the Company and to its shareholders (the "Statement"), under direct and indirect taxes (together "the Tax Laws"), presently in force in India. These possible special tax benefits are dependent on the Company and its shareholders fulfilling the conditions prescribed under the relevant provisions of the Tax Laws. Hence, the ability of the Company and its shareholders to derive these possible special tax benefits is dependent upon their fulfilling such conditions, which is based on business imperatives the Company may face in the future and accordingly, the Company and its shareholders may or may not choose to fulfil such conditions.

The benefits discussed in the enclosed **Annexure I** are not exhaustive and cover the possible special tax benefits available to the Company and its shareholders and do not cover any general tax benefits available to them. The Statement is only intended to provide general information to investors and is neither designed nor intended to be a substitute for professional tax advice. In view of the individual nature of the tax consequences and the changing tax laws, each investor is advised to consult his or her or its own tax consultant with respect to the specific tax implications arising out of their participation in the proposed Offer, particularly in view of the fact that certain recently enacted legislation may not have a direct legal precedent or may have a different interpretation on the possible special tax benefits, which an investor can avail. Neither do we suggest nor do we advise the investors to invest money based on this Statement.

We do not express any opinion or provide any assurance as to whether:

- i) the Company and its shareholders will continue to obtain these possible special tax benefits in future; or
- ii) the conditions prescribed for availing the possible special tax benefits where applicable, have been/would be met with, or
- iii) the revenue authorities will concur with the views expressed herein.

The contents of the enclosed **Annexure I** are based on the information, explanation and representations obtained from the Company, and on the basis of our understanding of the business activities and operations of the Company.

We have complied with the relevant applicable requirements of the Standard on Quality Control (SQC) 1, Quality Control for Firms that Perform Audits and Reviews of Historical Financial Information, and Other Assurance and Related Services Engagements.

We confirm that the information in this certificate is true and correct and there is no untrue statement or omission which would render the contents of this certificate misleading in its form or context.

This certificate is for information and for inclusion (in part or full) in the draft prospectus and/or the prospectus to be filed in relation to the Offer or any other Offer related material, and may be relied upon by the Company, the Lead Manager. We hereby consent to the submission of this certificate as may be necessary to the Securities and Exchange Board of India, the relevant Registrar of Companies and the Stock Exchange.
